

## CALISE Holds 2002 Annual Meeting and E-learning Seminar

The Chinese Association of Library & Information Science Education (CALISE) held its annual meeting this year at the NCL from November 14 to 15. Organized by the association with support from the NCL and National Chengchi University Library, the meeting and jointly arranged seminar addressed ways to promote the application of e-learning resources to library and information science studies in Taiwan.

The opening ceremony was jointly chaired by Prof. Hsueh Li-kui (薛理桂) and NCL director Juang Fang-rung (莊芳榮). Keynote speeches presented over the two-day seminar are listed below:

<b>Speaker</b>	<b>Topic</b>
Prof. Hung Ming-chou (洪明洲)	Teaching and Learning in E-learning
Prof. Chen Nien-hsing (陳年興)	Coordinating and Managing E-learning Classes
Mr. Tsou Ching-ping (鄒景平)	Global Development of E-learning
Prof. Li Tsai-yan (李蔡彥)	Strategies for Promoting E-learning: A Case Study of Chengchi University
Mr. Hsu Wen-chieh (徐文杰)	Standards for E-learning Content: A case Study of SCORM
